As Paris Hilton sez... That's Hot!

Hotter than Hot, with a hint of sweetness.

A spicy, Louisiana dry rub.

Wasabi + teriyaki = wasabiyaki

You're getting warmer.

Six different peppers and spices.

Slightly spicy, a touch of heat.

Tony Soprano's mood when business ain't so good at the Bing.

Hot + garlic + Parmesan = Cleats favorite wing.

Spicy hot with a cool ranch taste.

Ninja-style teriyaki with an attitude.

A red sauce with a touch of heat.

About as hot as a January day in Cleveland.

Dreamed up after a weekend binge on Put-In-Bay.

Named after a professional entertainer we met in Vegas.

Tasty, but do your smooching first.

Same as above, with a sprinkle of cheese.

From Churchill Downs to Cleats. odds are, you'll love 'em.

Sweeter than a plantation belle with a kiss of hickory.

Stumbled upon when we found a bee in our mustard.

Pucker up, baby!
